

SHEET METAL CLAMPS "CLECOS"

KWIK-LOK — TEMPORARY REUSABLE CLAMPS

A diversity of plier actuated clamps for precise holding of materials.

PART NO.	COLOR CODE	G (grip)	DRILL SIZE	1-99	100-249	250-499	500-up
				K-3/32	zinc	0-1/4"	#40
K-1/8	copper	#30					
K-5/32	black	#20					
K-3/16	brass	#10					
K-1/4	copper	#1/4					
KHD-3/32	zinc	0-1/2"	#40				
KHD-1/8	copper		#30				
KHD-5/32	black		#20				
KHD-3/16	brass		#10				
KHD-1/4	copper		#1/4				

The K-type sheet holder clamp is the standard clamp. It is plier-actuated, spring-loaded and steel bodied.

KK

The KK-type sheet holder clamp is designed for those space requirements which prohibit the use of the standard K-type clamp. The KK-type is a miniature clamp, with a shorter overall body and special effectiveness for more confined areas.

PART NO.	COLOR CODE	G (grip)	D (diameter)	drill size
KK-3/32	zinc	0-1/4"	3/32"	#40
KK-1/8	copper		1/8"	#30
KK-5/32	black		5/32"	#20
KK-3/16	brass		3/16"	#10

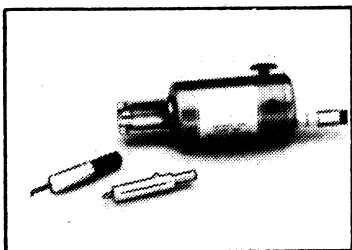

KL / KEL

The KL and KEL-type clamps are standard K-type clamps with an extended grip range.

KL-3/32	zinc	1/4"-1/2"	3/32"	#40
KL-1/8	copper		1/8"	#30
KL-5/32	black		5/32"	#20
KL-3/16	brass		3/16"	#10
KEL-3/32	zinc	1/2"-3/4"	3/32"	#40
KEL-1/8	copper		1/8"	#30
KEL-5/32	black		5/32"	#20
KEL-3/16	brass		3/16"	#10

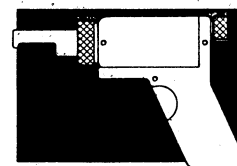

PNEUMATIC SKIN CLAMP TOOL

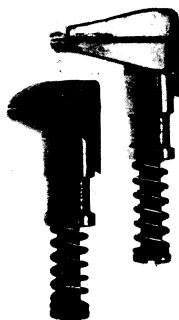

INSERT & REMOVE FASTENERS QUICKLY & EASILY!

The pneumatic skin clamp tool takes the pressure off the operator. It is small and lightweight to allow its operation in tight places. The tip can be rotated easily to allow left or right handed operation.

- 201 Tool w/Standard Tip
- 222 Extended Tip Assembly
- 240 Handle Assembly

Tool with standard Tip and Handle Assembly attached

PART NO.	GRIP	COLOR CODE
KSG1/2"x1/2"	0-1/2"	copper
KSG3/4"x1/2"	0-3/4"	brass
KSG1/2"x1"	0-1/2"	copper
KSG3/4"x1"	0-3/4"	brass

KSG-SIDE GRIPS — edge clamps to hold materials together where no holes are provided. Plier operated. Suggested for bonding, gluing and sealants.

"CLECO" FASTENER PACKS

- PACKAGE OF 30 ASSORTED - 3/32", 1/8", 5/32", 3/16" NO. K30
- PACKAGE OF 100 ASSORTED - NO. K100
- PACKAGE OF 60 ASSORTED - 3/32", 1/8", 5/32", 3/16" NO. K60
- PACKAGE OF 250 ASSORTED - NO. K250
